Analysis in Web of Science (WoS) December 2023: 121 publications (which also counts two errata, one comment, and two book chapters), 5419 times cited, h-index 44. My WoS account at <https://www.webofscience.com/wos/author/record/1513664> and ORCID account at <https://orcid.org/0000-0002-4424-1442> provide a complete list of publications in peer-reviewed journals. Or consult my Google Scholar profile at <http://scholar.google.nl/citations?user=aVq9CdEAAAAJ>, which also includes more obscure reports and books.

As first author in international peer-reviewed journals. Over time, I will try to add more DOIs and self-archived accepted versions of these manuscripts (especially for the TKTD modelling papers).
